

GOAL OF THE RACE

The primary goal of the race is to raise awareness of organ donation, while sharing Katie's story, as well as giving back to the places that helped her.

The money raised during this race will be used in a number of ways, the biggest being the purchase of Cough Buddy bears for kids at Riley Hospital for Children, Peyton Manning Children's Hospital, as well as other area hospitals.

Another portion of the proceeds will be used to fund the Katie McBurnett Memorial Scholarship. This scholarship will be open to anyone who has received an organ transplant, and will be awarded this spring.

ABOUT THE KATIE'S WISH FOUNDATION

The Katie's Wish Foundation, formerly Remember Katie Donate Life is a nonprofit organization created by two of Katie McBurnett's best friends from middle and high school. With the help of her family, we sell products and sponsor events to raise money to give back to the organ transplant community in Indiana and northern Kentucky.

We coordinate three events each year — the Katie McBurnett 5K in the spring in Columbus, Indiana, a new event debuting this fall, and we also serve a meal to the families staying at the Ronald McDonald House of Indiana on March 29, Katie's Heart Birthday.
