

What distance is a 5K?

3.1 miles

Who can participate?

Everyone is welcome to run or walk in the event, so bring your friends and family and join us for this great cause!

Where do the proceeds of the event go?

The Mammography Assistance Program of the Breast Health Center, Columbus Regional Hospital, provides digital screening mammograms at a nominal fee (\$5) to uninsured women between the ages of 40 and 64 and who need financial assistance for an annual mammogram. MAP funds cover clinical costs of the initial screenings, while the Center's nurses, mammography technologists, and office staff donate their time and expertise.

How can I volunteer?

Email Jeff Niewedde at indianatiming@gmail.com or call him at (812) 447-5528

We could use course volunteers to help keep the runners and walkers safe as well as registration table help inside Hamilton Ice Arena on the morning of the event and water supply help for runners and walkers on the course.

_____ **TOTAL DONATION**

(Registration fees are non-refundable)

Remember to post mark your mail in registration by **February 17th** to guarantee your t-shirt and size that you want.

HINT:

Reason why you see a lot of races require this two week pre-registration deadline is so that they can get an accurate order of the number and size of t-shirts to the company making the t-shirts. So, all race day registrants and also all those that haven't pre-registered on or before February 17th will be subject to a first come first serve standard based on how many extra shirts the event organizers have purchased. Long story short, always pre-register 😊
