## SUPPORT OUR PEOPLE TRAILS

The Columbus, Indiana People and Bike Trail System is available for all types of people powered transportation. It is an ever evolving system with a final goal of connecting our citizens and guests of our city, to key destinations throughout our community. The overall goal for future expansion of our trail system is to bring a bicycle or pedestrian facility connection within 3 blocks of 90 percent of our residents. Your participation in the Tour de Trails event(s) provides needed funds for maintenance and expansion. We thank you for joining us in this exciting and growing event!

## Hint

The reason why you see a lot of races requiring this two week pre-registration deadline is so we can get an accurate number of the t-shirts for the company we order through.

Therefore, all race day registrants and all those that haven't pre-registered on or before April 9 will be subject to a first come first serve basis on how many extra shirts the event organizers have purchased. Long story short, always pre-register!

## Race Results

Results will be announced timely and posted at the race. Indiana Timing will be timing the event and results will be posted at [www.indianatiming.com](http://www.indianatiming.com) by 5pm day of race.
