

Goal of the Race

The primary goal of the race is to raise awareness of organ donation, while sharing Katie's story, as well as giving back to the places that helped her.

The money raised during this race will be used in a number of ways, the biggest being the Katie McBurnett Memorial Scholarship. This scholarship is open to anyone who has received an organ transplant and is awarded to at least one student each year.

Another portion of the proceeds will be used to fund the purchase of Cough Buddy bears for surgical patients.

About the Katie's Wish Foundation

The Katie's Wish Foundation is a nonprofit organization created by Katie McBurnett's family and friends. We raise money to give back to the organ transplant community in Indiana through the Katie McBurnett 5K.

We coordinate the Katie McBurnett 5K in Columbus, and we serve a meal to the families staying at the Ronald McDonald House of Indiana

on March 29, Katie's Heart Birthday.

We also support students who have received transplants with the Katie McBurnett Memorial Scholarship.

Course Map
